

## PRONONCIATION

**Attention, les lettres en gras n'indiquent pas les syllabes accentuées mais les sons qui posent problème aux Français. A beaucoup de mes étudiants en tout cas !**

**Comme ce ne sont pas des sons particulièrement difficiles, un petit entraînement avec Doug devrait améliorer nettement les choses !**

- **able** / comfortable / reliable / sociable / adaptable
- a sense of humour / glamour / behaviour / sector
- ambitious / generous / conscientious / various
